

## Assisted Living Program at Madison House

We offer excellent Custom Care and Assisted Living services that are individualized and based on the level of care desired or needed. Care is supervised by our full-time on-site Registered and Licensed Practical nurses.

Care options include medication assistance, bathing/shower assistance, accompaniment to/from meals and activities, dressing and grooming assistance, and a broad variety of other services. Other nursing care available. We are also able to manage diabetic care and offer on-site physical and occupational therapy.

All services are billed at a flat rate and fees are capped. There is not a point system at Madison House.

Join us for lunch or dinner when you tour Madison House!
